

Abstract Guidelines for the
2018 International Atmospheric Rivers Conference
25-28 June 2018, Scripps Institution of Oceanography,
La Jolla, CA

Abstract Deadline: Extended to 20 April 2018

Submit abstracts: <http://cw3e.ucsd.edu/iarc2018abstractsubmission/>

Formatting Guidelines

- Each abstract should be submitted as a single file (figures, if any, embedded).
- The file should have the following naming convention: **LastName_IARC2018.pdf**
 - If you are submitting multiple abstract the naming convention should be:
LastName_IARC2018_1.pdf and LastName_IARC2018_2.pdf
- Abstracts must not exceed 500 words in length (not including title and author information) but can be up to two pages long to include embedded figures and occasional references as needed.
- Use US "letter" paper size (8.5" X 11"), setting margins at 1", top, bottom and sides.
- Use a sans serif font throughout, preferably Calibri.
- Primary author should be listed by First Last Suffix (bold), Affiliation, Street Address, City, State, mailing code, Country; email address; and phone number.
- Secondary authors should be listed by First Last Suffix (bold), Affiliation, City State, Country.
- Type the body of the abstract in sans serif (preferably, Calibri) 12-point font size; single-spaced without indents or tabs (unless needed for lists).
- Double space between paragraphs.
- Apply bolding, italics, underlining, superscripts, subscripts and bullets in your main text, as you want them to appear in your final abstract.
